## Halcon Doors Fire & Security Doors

Halcon Doors extensive range of Steel Fire Doors and Steel Security Doors offer not only exceptional value for money but more importantly outstanding quality.

### Frame Size Dimensions

Halcon Doors Security Doors and Fire Doors are available in 890mm x 2090mm and 990mm x 2090mm frame sizes. This is the frame size to suit 900mm x 2100mm and 1000mm x 2100mm structural openings.

### Handle options

Halcon Security Doors come complete with Stainless Steel handles. HalconSteel Fire Doors come complete with a Stainless Steel Push Bar.

### Powder Coating

Halcon Security and Fire doors are supplied with a grey primer finish, a perfect base for subsequent painting; alternatively we are able to Polyester Powder Coat, in-house, to a variety of colours.
